Education

B.A.
Dr. Rammanohar Lohia Avadh
University
May 2019 - June 2021

Technical Skills

JavaScript MongoDB
CSS3 HTML5 Git
Responsive Web Design
Express.js RESTful APIs
Node.js React

Soft Skills

Adaptability Teamwork
Problem Solving

Achievements

**Masai Speaking
Marathon Season**
*Masai Speaking Marathon
Season*
Masai Speaking Marathon
Season 18 Certificate

Certifications

**Construct Week
Participation Certificate**
- B40
Masai

Akash Pal

Full Stack Web Developer

Professional Summary

Dynamic Full Stack Web Developer with expertise in the MERN stack, excelling in efficient API design and seamless frontend-backend integration. Proficient in Generative AI and swiftly mastering new technologies. Demonstrates strong problem-solving abilities, fostering collaboration, and enhancing software quality and excellence.

Experience

- Masai** | Full Stack Developer June 2024-present
- Collaborated with cross-functional teams to develop and deploy scalable web applications, resulting in enhanced user experience and increased efficiency.
 - Designed and implemented robust APIs using Node.js and Express.js, ensuring seamless backend operations and data flow.

Projects

**Maximize Your Efficiency
with ProductivityPro** [Live Demo Link](#) [Github Repo Link](#)

JavaScript Git HTML5 CSS3
Responsive Web Design MongoDB
RESTful APIs

- Developed a robust productivity web app using JavaScript, HTML5, and CSS3, enhancing task management for users.
- Ensured responsive web design across different devices, improving user accessibility and experience.
- Designed and maintained RESTful APIs for seamless client-server interaction, facilitating data flow.
- Collaborated in a team of four, contributing to front-end development and overall application design.

Nykaa Clone Project [Live Demo Link](#) [Github Repo Link](#)

JavaScript Git HTML5 CSS3
Responsive Web Design Node.js

- Collaborated with the team to ensure seamless navigation and user experience across various devices utilizing a responsive design approach.
- Assisted in developing interactive product showcases with a media scroller for browsing diverse product categories.
- Contributed to optimizing the frontend components using HTML, CSS, and JavaScript.
